

IN 15 MIN TO YOUR OWN FREE WEBSITE WITH GOOGLE

Information for webinar participants

DOWNLOAD ZOOM

To take part in the webinar, you have to download the free app Zoom. It is available for Windows, Mac or also for iOS and Android.

We recommend that you use a computer / laptop so that you can implement the instructions at the same time.

<https://zoom.us/download>

REACTIVATE GMAIL ADDRESS

If you have a Gmail address, please test whether you still have access and know your password.

If you don't have any yet, no problem. One hour before the webinar we start with how to get one.

PREPARE PICTURES

You need at least 3 good pictures

- Profile picture
- 2 x landscape format with you on a tour

The pictures should be of good quality and not too small.

DURING THE WEBINAR

You will receive an access ID and password for the webinar by email.

The webinar will be recorded and then available for 3 months including the chat history. Nevertheless, it is recommended to have a papersheet ready for notes.
