

Welcome to the smart solution for guided tours.

 LiveVoice

One simple app. No extra hardware.

WORKS VIA:

How it works

Tour guide

Listeners

1 Admin (tour organiser or guide)

- Sets up events & streams
- **Invites speakers & listeners**

2 Tour guide (or translator)

- Enters speaker code
- **Starts streaming**

OR

3 Listeners

- Enter tour code
- **Start listening**

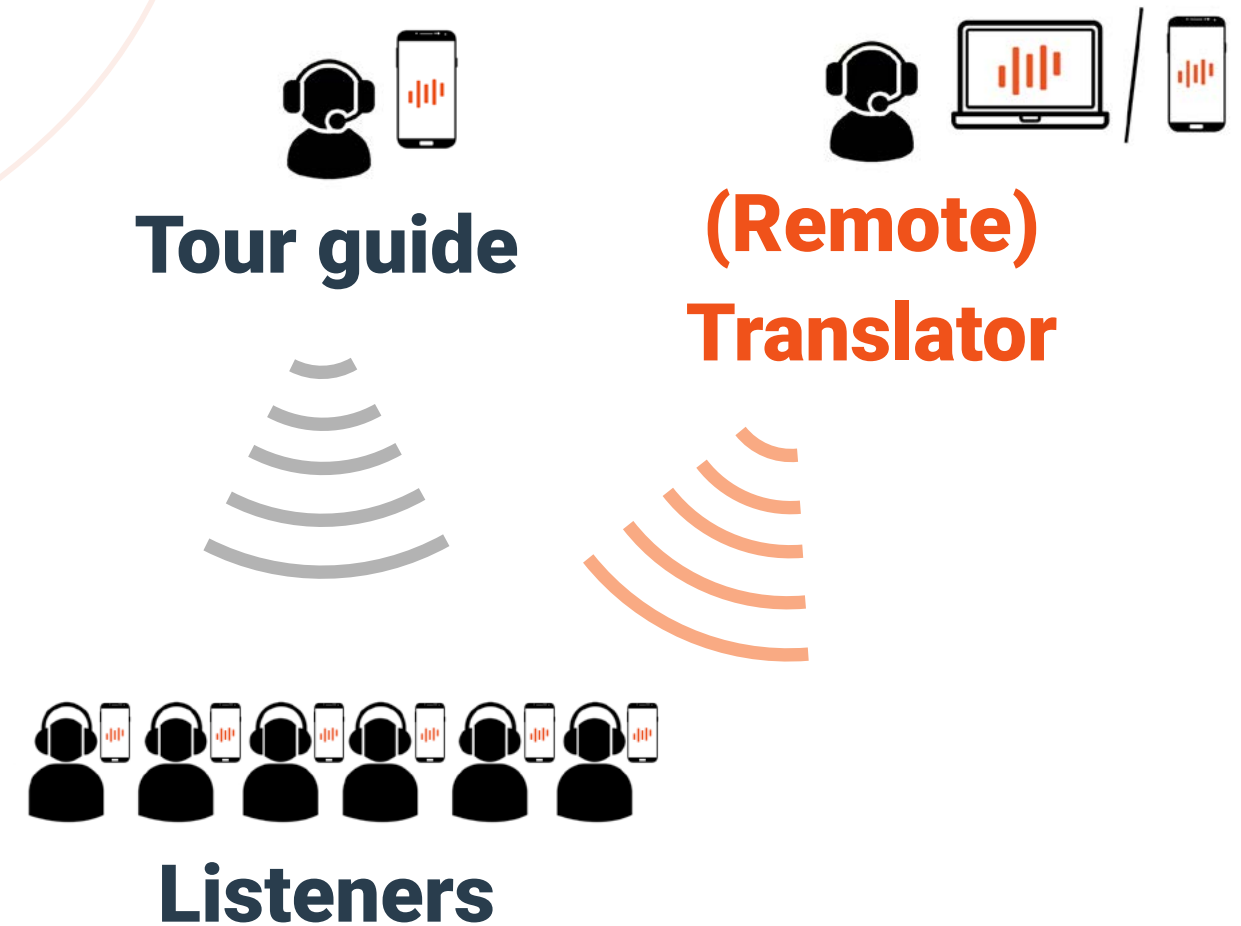

Simply add more streams to invite translators

Why LiveVoice?

- ✓ **Affordable for everyone**
Much cheaper than traditional systems. No extra hardware needed.
- ✓ **Completely flexible**
As many streams as you want. For as many listeners as needed. Everywhere.
- ✓ **Extremely easy to use**
Super easy setup. Listeners bring their own devices.

Try for free. Then pay for your 'Max listeners' limit.

Our pricing is based on maximum number of people listening at the same time.

✘ The number of tours per day and the total number of people listening throughout the day have no effect on pricing!

CHOOSE BETWEEN:

Pay per day plans

*Due to the COVID-19 situation we offer a -20% discount for customers who were referred from the guide-training.com webinars. Just send us an email to service@livevoice.io to ask for this discount. Valid until the end of 2020.

Key features for guided tours

✓ **Extremely low latency (< 0,2 Sec)**

Works via WIFI and mobile data (3G, 4G, 5G). Minimal data usage.

✓ **Works in the background**

Tourists can use other apps and take pictures.

✓ **Auto reconnects**

When a listener drops out due to bad connection LiveVoice auto reconnects.

How to get started

LiveVoice is super easy to set up. Find our step-by-step guides for admins, speakers and listeners on <https://help.livevoice.io>

In case you'd like to get additional help: Contact us for our setup support at service@livevoice.io
